Youth Week Celebration

We would like you to join us in celebrating one of our greatest assets, our youth. During the week of April 24th - 29th, we are celebrating our youth and what they mean to the credit union and our futures. We understand the importance of the changing financial needs of our children as they grow older, that is why we are offering a Teen Loan up to \$3,000 with a special rate as low as 7.99% APR. Proof of employment is required and a co-signer may be necessary.

During Youth week we will also be matching \$5 deposits on all new youth accounts opened at the credit union* and children between the ages of 0 and 2 will receive a free gift. Help us celebrate the future of our children by helping to get them started on a path of good financial decisions by getting them involved in the credit union.

**Accounts must remain open for one year.*
